Dear Parents,

### 2008-2009 TUITION FEES

The BESG Board of Governors met on 2 June and endorsed the following tuition fees for next year:

Nursery:	£4,250
Reception-Year 6:	£7,500

The increase is lower than those we have asked you to pay in recent years and, of course, much lower than the local rate of inflation.

We are keeping the holding deposit payable to secure a place for your child at BESG for the next academic year at £350. Given the inevitably huge annual turnover of pupils in our expatriate community, this is an essential tool for us over the summer in allocating places. The deposit is non-refundable but is, of course, offset against tuition fees for 2008/2009.

I must ask you please to pay this £350 deposit by **Monday 16 June**. Payment must be made by direct transfer to the BESG bank account in Garanti Bankasi Cankaya Branch with account number 181-9094904. The transfer should be net of any bank charges. If you have any questions about holding deposits, please contact Sema Talay on 468 6242 or e-mail [bursar@besg.org](mailto:bursar@besg.org).
